

Animal Sounds & Imitation

LANGUAGE BUILDING | Ages 12-24 months | 10 minutes

About This Activity

Teach animal sounds and encourage imitation to support language and memory.

Materials Needed

- animal toys
- animal books

Step-by-Step Instructions

Use toy animals or picture books. Make animal sounds: 'The cow says moo!' 'The dog says woof!' Encourage child to imitate. Ask 'What does the cat say?' This builds language, memory, and imitation skills. Toddlers love animal sounds! 10 minutes.

Developmental Benefits

LANGUAGE, COGNITIVE, SOCIAL EMOTIONAL
