

Nature Scavenger Hunt

NATURE EXPLORATION | Ages 24-36 months | 25 minutes

About This Activity

Create a simple picture list of nature items to find outdoors, building observation and counting skills.

Materials Needed

- picture checklist
- bag
- outdoor clothes

Step-by-Step Instructions

Create a simple picture checklist: leaf, flower, rock, stick, bird. Go outside and help child find each item. Check off items as you find them. Talk about what you see: 'This leaf is green,' 'This rock is smooth.' Collect items in a bag. This builds observation, vocabulary, and love of nature. 20-30 minutes.

Developmental Benefits

COGNITIVE, LANGUAGE, GROSS MOTOR
