

Peek-a-Boo Advanced

PROBLEM SOLVING | Ages 6-12 months | 12 minutes

About This Activity

Enhanced object permanence game where baby takes an active role in hiding and seeking.

Materials Needed

- blankets
- toys
- cloths

Step-by-Step Instructions

Hide toys under blankets and let baby pull them away to find them. Hide yourself behind furniture and pop out. Encourage baby to hide their own face. This advanced version teaches cause-effect and problem-solving. Baby will love the surprise! 10-15 minutes.

Developmental Benefits

COGNITIVE, SOCIAL EMOTIONAL, FINE MOTOR
