

Pretend Play Kitchen

SOCIAL INTERACTION | Ages 12-24 months | 20 minutes

About This Activity

Encourage imaginative play with toy kitchen items, developing creativity and social skills.

Materials Needed

- toy kitchen
- play food
- toy dishes

Step-by-Step Instructions

Provide toy food, dishes, pots, and spoons. Pretend to cook, eat, and serve food. Ask 'Can you make me dinner?' or 'What are you cooking?' Join in the play! This develops imagination, social skills, and language. Pretend play is crucial for cognitive development. 15-20 minutes.

Developmental Benefits

SOCIAL EMOTIONAL, COGNITIVE, LANGUAGE
