

Scribbling with Crayons

CREATIVE ARTS | Ages 12-24 months | 15 minutes

About This Activity

Introduce drawing to develop fine motor skills, hand-eye coordination, and creativity.

Materials Needed

- large crayons
- paper
- coloring mat

Step-by-Step Instructions

Give child large crayons and paper. Show them how to make marks on paper. Let them explore freely - scribbling is the first step in writing! Talk about their artwork: 'You made a line!' 'What pretty colors!' Display their art. Supervise to prevent crayon eating. 10-15 minutes.

Developmental Benefits

FINE MOTOR, CREATIVE, COGNITIVE
